Basket champs basket random basketball master basketball shots basketball master 2 nothing beats that sound... Svis! Do you have the skills to command the court? Do you always brag about how great you are in basketball? Prove it in this category of free basketball games! We have the whole selection of b-ball games just waiting for you to test your skills on. Whether you're an eagle-eyed three-point shooter, a quirky dribbler or a bit of both, you'll need to pull out every trick you have to outperd your opponents and earn amazing high scores. It's time to sing these fancy shoes and throw on your favorite jersey. Get ready to bounce, pass, dribble and swish your way to victory because these free basketball games are all about your favorite sport! Let's start with everyone's favorite part, right? Shooting! Shoot like Pro You've seen professional players do it on TV – it looks like they're not even trying. They calmly walk up to this free throw line, take a few inhalations and make two shots – giggle! Even if a defender is in their face, they can step back and drain an amazing three-pointer without breaking a sweat (well, they sweat a lot, but you get a point). If you've always wanted to master the perfect basketball shot, now's your chance! A great place to get started is a master of basketball. One of our most popular games, this shooting bonanza allows you to line up the perfect three-point while the defender (or two) dances around in front of you. Can you perform like a professional under all this pressure? You will have to because one missed shot game is over! Take it into the hole! Three-point big and all that, but sometimes, you just want to drive up to the basket and slam that ball out there! There's nothing more satisfying than a perfect slam dunk in front of a screaming crowd of fans. We've made sure to include a lot of dunking in this category for those who love the thrill it into the hole. If you want to try your skills, download Dunk Dunk Today and slam your way to an impressive high score! Just like a real sport, this game is a very cut-out competition. If you miss only one basket, you should start all the snay! So don't forget to make every attempt to count. Get a firm grip on the ball, charge to that basket and don't let anyone get in your way. Go head-to-head with friends or computer What fun will basketball be without a little friendly competition? Like all our other categories, we've given you the chance to take the computer to some intense head-to-head b-ball battles. The best part about this category, however, is online multiplayer. That's right, you can play against real people over the internet! Download FreeThrow today and jump into a fierce battle for points. The clock is ticking and the hoop is waiting. Fire as many shots as you can before time runs out. You're going to be a free-throw champion, will you come out short? It all comes down to your accuracy and speed, so get to the firing range and show us why you're the undisputed champion! Win Your Way Why is our free basketball game category even better than the real thing? For starters, we gave you more than one way to win! That's right, you don't have to cling to four of your pals around your phone just to play basketball. You can do it all on your own with all these games. Alternatively, you can go beyond the traditional scoreboard by winning the way you want to win. You can win by slam-dunk ball fifteen times in a row, taking a free throw after a free throw, or whatever you want! Wouldn't it be great if you could do it in real life? At the moment, we just stick to this category of free basketball games. What method do you prefer by beating your own high score or ruling the scoreboard? High score There is nothing more fun and addicting than playing for the ultimate high score! Who are you trying to outsell, yourself or the world? The choice is yours. If you really want to rule the court on the global stage, then find a game with a leaderboard and start climbing to the top. If you just like to improve on your own grades, that's great too. While working you will find new little tricks for stuffing more points. Making multiple baskets in a row, for example, earns you amazing spot multipliers in many of these games! Of course, if you're a fan of the traditional scoring method, you can always count on the old scoreboard to announce the winner. Outscoring your opponent ten players, two hoops, and hours of non-stop fun and action. That's how we played basketball for decades, and not for good reasons. If you're a sports fan, why change the way you play it? Go to our category of free basketball games and find your opportunity to play as a professional. Show off your moves, score for your team, and earn true basketball glory! It's ok if you can't palm a ball in real life – your character can It's all day. Ready to become the next basketball pin? See you on the - Goal & Shoot the drive to the hoop and perform an amazing slam dunk in our cool basketball game collection. Do you have the moves and talent you need to lead your team to victory? You can climb off the bench along with some of the greatest athletes to ever play a game or blast past a newb who barely knows how to dribb the ball. The possibilities are endless in these cool sports games. Shoot three-pointers until you challenge your friends in two player games or go against the computer.
